MEMORANDUM FOR: Executive Secretary

SUBJECT : Agreements and Special Relationships
With Other Government Departments and
Agencies

REFERENCES : a. Your memo, Same Subject, dated
10 January 1977, ES 77-1
b. Morning Meeting Minutes of
19 April 1977

1. Our compartmented information reply to your 10 January memorandum listed the DDS&T arrangements we expected to discuss with appropriate officials of the new administration when appointed and confirmed. We believe that this action has been satisfied. In some cases, however, the named individuals have not been briefed specifically. But we feel that the briefings presented by the DDO to the SCC on our sensitive collection programs and assistance to other countries have satisfied the intent of the required action.

2. For those activities involving cover arrangements, the Central Cover Staff has completed the action through appropriate focal points.

3. As a result in response to the question posed in the Morning Meeting Minutes of 19 April 1977, we do not have any topics which would require the DCI or DDCI to clear at the cabinet level.

MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Operations
Deputy Director for Intelligence
Deputy Director for Science and Technology

SUBJECT : Agreements and Special Relationships with
Other Government Departments and Agencies

1. Thank you for your submissions on subject. Anticipating a flurry of activity as we brief new Administration officials, it will be necessary for you to satisfy yourself that the DCI, DDCI, or you and your appropriate liaison officers cover and reaffirm as appropriate these ongoing relationships. Most of us are mindful of the Church Committee's caution against "floating authorities," and we would hope that the record will show we have covered all bases in the course of briefing new cabinet officials and various assistant secretaries and other appointees.

2. Now that the Director has indicated a readiness to brief several appointees and we will be getting in touch with others as they are named, it will be your responsibility to flag for him, or the DDCI, as appropriate, those items you wish for him to cover lightly, with the understanding that follow-up coverage will be handled at your level with whomever the appointee designates.

3. So that our record may be complete, it is requested that you forward a note or memorandum to me indicating when the material was covered and with whom. You may wish to coordinate across directorate lines; therefore I am forwarding to each of you the submissions of others.

B. C. Evans
Executive Secretary
